Dear Recruitment Manager,

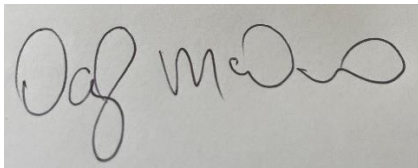

From 2017 to 2019, Fauzii was a junior VJBL representative coach, for the U18 and U16 Boys program respectively, at the Knox Basketball Association. As the Boys co-ordinator I have worked closely with Fauzii at try outs and training sessions and found he is a well-prepared coach who strategically structures training sessions which teach progressive skill and tactical components of the game.

I have sat on the bench with Fauzii and observed a coach that is able to communicate the requirements of his game plan with his players, seek to engage players to maximize their efforts and make appropriate game adjustments as required.

It was commendable Fauzii, and his team was successful in capturing the VJBL title for their division in 2019.

It is my pleasure to provide a written reference for Fauzii Chan regarding basketball coaching. I would highly recommend him to any prospective basketball roles which he applies for and am confident he is able to share his expertise, experience, and passion to such a role.

Yours sincerely,
